

I am what I am

I am a hard working person

I am what I am

I am East Orange General Hospital; I am the best basketball
player in my family

I am what I am

I am basketball, red, hamburger helper

I am Florida Gators

I am a shooting star

I am Will Ferrel

I am what I am

I am a basketball legend

I am a family man and successful

I am what I am

My soul is a hexagon

And my legs are leaping to success

I am what I am
