

WHY JOIN THE LINK TEAM?

- **Social Justice in Action:** Join a team that is dedicated to bridging the achievement gap for young scholars from families with limited means living in Newark, East Orange, Orange, and Irvington; with 100% acceptance to competitive high schools and \$5.7 million in scholarships and financial aid for students in last two years.
- **A Strong Community:** Work in a warm and caring core values based environment that fosters a sense of community and a positive school culture in a small school with classes of 20 students with morning circle, advisory, and school-wide events.
- **A Legacy of Educational Excellence Since 1969:** Support the growth of Link scholars through a comprehensive educational program that nurtures mind, body, and spirit with a strong academic program, enriching arts program, advisory, daily centering practice, experiential learning, and broad exposure.
- **Meaningful and Regular Professional Development:** Sharpen your skills and knowledge, while building a collaborative team through an annual overnight staff retreat, Opening Meetings in late August, bi-weekly 1/2 day student schedule to facilitate staff meetings and workshops, mid-year day-long retreat; and opportunities for learning with partner organizations and leading educational organizations.
- **Support for Strong Instruction:** Strengthen your instructional techniques and content knowledge with the support of Link's Instructional Coach, Math and Literacy Specialists, and partnership with Relay Graduate School of Education (a two year training/M.A.T. program).
- **A Diverse Staff:** Add to our talented team that represents our diverse community and use your creativity and innovative ideas to support the growth of our scholars. Experience the joy of making a difference!
