

2210 CURRICULUM DEVELOPMENT

The Board of Trustees is committed to the continuing improvement of the educational program of the school. To this end, the curriculum shall be evaluated and modified in accordance with a plan for curriculum development.

The Principal shall be responsible to the Board for the development of curriculum and shall establish procedures for curriculum development that ensure the effective participation of teaching staff members, pupils, the community, and members of the Board.

The Principal may conduct experimental programs that are not part of the duly adopted curriculum and if he/she deems them to be necessary to the continuing growth of the instructional program. He/she shall report to the Board any such pilot program conducted, along with its objectives, evaluative criteria, and costs, before each such program is initiated.

The Principal shall report to the Board periodically on all progress in curriculum development.
