

3124 EMPLOYMENT CONTRACT

The Board of Trustees requires that every non-tenured teaching staff member employed by this school annually sign an employment contract for a term of not more than one year.

The employment contract shall include the specific title of the position to which the teaching staff member is appointed; the term for which employment is contracted, including beginning and ending dates; the salary at which the teaching staff member will be employed; the intervals at which the salary will be paid; and a provision for the termination of the contract on sixty days notice duly given by either party.

In the event that the salary entered on the written contract differs from that approved by the Board in a resolution duly adopted, the salary approved by the Board shall be the salary paid.

The employment contract will also include a provision for termination of the contract by either the teaching staff member or the Board of Education unless the teaching staff member is represented by a collective bargaining agreement and the agreement has termination provisions.
